MEDICAL

PRENTICE, HENDERSON, & OSHORNE, The Early Physical Degeneracy AMERICAN PEOPLE.

JUST PUBLISHED BY DR. STONE,

Physician in the Trny Long and Hygienic Institute, A Treatise on the Canses of Early Physical De-cline of American People; the Cause of Nerv-ous Debillty, Consumption, and Marasmus. TW This work is of a high moral tone, written in chaste yet thrilling languace, and appeals directly to the moral consciousness of ALL, PARKYE and GUAB-DIANS especially, detailing scientific and reliable aids and treatment for cure. TW PARENTS AND GUARDIANS! fall not to send and them is taln this book.

A Word of Solemn Conscientious Advice to those who will Reflect. to those who will Reflect.

A class of maladies prevail to a fearful extent in community dooming at least 100,000 youth of both sexes annually to an early grave. Those sheases are very limp feetly inderstood. Their external manifestations or symptons are Nervous D bility. Relaxation, and Extension Marasmus or wasting and consumption of the disease of the whole body; shortness of breathing or limitation. Marasmus or master and consumption of stairs, great papitation of the Heart; Asthma, Bronchitis, and sore Throat; shaking of the Hands and Limbs; aversion to society and to business or study; dinness of \$50 e. one throat; shaking of the hands and Lamies, average of society and to business or shuly; dinness of Stelicit; loss of Memory; dizziness of the Itead; Neuralgic Jains in various parts of the body; Pains in the Back or Jenhs; Lumbago, Dyspepsia, or Indigestion: Irregularity of the Rowels: decanged sections of the Kudneys and other glands of the lody, as Lewcourhera or Fleur Whis, &; likewise Epilepsy, Hysteria, and Nervous Saants.

19 poins, with inhaler, and ample directions for their use, and direct corresp indexe.

28 Patients applying for interrogatories or advice must enclose return stamps to meet aftention.

28 The attending phreician will be found at the Institution for consultation, from 9 A. M. to 9 P. M. of each day. Sundays in the forenoon.

way of illustrating the bearing that we coneeive the propositions now prominently before the public have on the issue at hand in Kentucky. The propositions themselves are not strictly in issue but they help the people to neasure the purposes that are.

We all know that the Union men of the Border

declare the ground of ahandonment, if abander's hands in unspeakable emotion, and the comment it may be called, to he, "Pirst, that the basis, in the whole range of its provisions are construed by the secessionists, 18 nor necessary to give the responsibility. I should tuention that before now allowed by law before judgment. Mr. Furnow allowed by law before judgment and before the first of at the second to the secessary to give the responsibility. I should tuention that before now allowed by law before judgment. Mr. Furnow and the second to the second and construed by the secessionists, is not decessary to the safety or the honor of the South, ind, secondly, that, whilst thus unnecessary to the South, it is extremely obnoxions to the North." Secessionism has made the Courier as blind as a horse in a burning stable.

The "Union" men—for they were not then as they are now, unconditional submissionists—made this proposition their ultimatum in their 8th of January Concentions; and proposited, after segions and anxioas discussion, to demand the amendments ia question to the Constitution, and if disunioa could not be arrested, they determined to unife with the States that would accept them, in a Middle Confederacy!

Any action was taken, the first co sul, the back came to the head of ward of whose house addising a nine came to the varied of whose house addising a nine came to the varied of whose house addising a nine came to the varied of whose house addising a nine came to the varied of whose house addising a nine came to the varied of whose house addising a nine came to the varied of whose house addising a nine came to the the city of Louisville mây be exempted. A long and extended deba e ensued on the constitution, or deferring or alteration, when the ward of the right of submissionists—made the right of submissionists—made this proposition their ultimatum in their 8th of January Concentions; and proposed, after segment of the fort, the barracks, the magazine, and though it has no "Derringer."

The new national flag was hoisted last evening if disunioa could not be arrested, they determined to unife with the States that would accept them, in a Middle Confederacy!

Among these orders were the Senate resoluted to the proposition that was no caused at the proper time they should ask respectively that Mason country and the city of Louisville mây be exempted. A long and extended deba e ensued on the constitutional ty of suspending executions, or deferring or alteration of the city of Louisville mây be exempted. A long and extended deba censued on the constitutional

JAMES LOW 2 CO

A aew era is about to dawn on the reign of cheap literature. The Philadelphia Inquirer works at a very cheap rate." This enterprise lives by Ex Governor Morehead. Completely convention.

very choicest library productions, it is difficult written out, and unless these gentlemen will condend to estimate its full significance. In England, sent to put their views on paper again, I regard Defending in the Senate the proposition of the ined to a very limited class; in fact, very lew that ever occurred. Portunately, the substance | Peace Conference, he said: OLIVER LUCAS Local Editor and Reporter. more hours. A novel, "Adam Bede," for instauce, is published in three volumes and costs there, within a fraction of eight dollars; cause when I request them to supply the loss. I In consequence of the crowded state of in White," and the "Queen of Hearts," by head's address, but that world not show the ele-

derstand it, is, first, to ruise the collective voice of these States distinctly and resolutely in favor of peace; secondly, to accelerate the assembling of a National Convention for pro-

reach of the public than those we have mentioned. Mr. Mudie has, therefore, started n circulating library, to all the advaptages of which you are admitted, by a subscription of five dollars, a year, and if resident for more than nine hundred feet, and the construction. Individuals Its simple office is the negation of power to Congress. That is all there is in it; and how, under that, can the gentleman find constructions which are to increase our difficulties and diminish our rights? He says the language need depth of more than nine hundred feet, and the will need construction. So does all language need construction. Convention, it is unnecessary to say, will in a five dollars a year, and, it resident far from supply of water is not only still inadequate, but London, by paying twenty-five dollars a year its level falls lower as the boring descends. It larly eo.

Now, sir, the Senator offers my own proposite you have the privilege of taking out fifteen will be remembered that the artesian well in volumes at one time. That his subscribers Louisville did not reach a sufficient flow of water my own proposition level. I shall vote for this. Vention.

If we are correct in the view we have here expressed, as we think we are, it is plain that the galleries he buys up an entire obtained it was so highly medicated as to that the galleries be cleared, if there be any further than the galleries at one time. That his subscribers the first ordinary purposes, and when a supply was obtained it was so highly medicated as to that the galleries be cleared, if there be any further than the galleries are corrected in the view we have here obtained it was so highly medicated as to the time. for the latest novelties he buys up an entire edition of a work likely to be popular. Of the totally unfit for domestic use. Is there edition of a work likely to be popular. Of the totally unfit for domestic use. Is there edition of a work likely to be popular. Of the totally unfit for domestic use. Is there exists the same thing. the "Woman in White" he purchased two thousand copies; of the "Mill oa the Floss," geological formation of the two parts of the State three thousand, and of Motley's "History of is the same. The mortality at the Asylum clear the galleries.

Mr. Crittenden. 1 shall vote for the amend.

nently popular are, from time to time, resold An attempt has been made to account for this limit not, out of any selfish preference for my disparity by the allegation that old chronic cases own original opinious on this subject, sacrifice out the public at a very reduced price. The great success of this scheme is making a new era in literature in Eagland, and Mr. Mudie is a more powerful dictnor than all the Reviews who have so long struggled to guide the public taste. Exclusion from his library dispersion of the reports of the law directed the dispersion of the reports from these institutions will show that no patients have been made, as the law directed the division of the owner; and opinions on this subject, sacrifice one idea or one particle of that hope. If go for the country; not for this resolution, any proposition, that will nearly be altegation flat old chronic cases had been sent from Lexington to Hopkinsville, but an examinution of the reports from these institutions will show that no patients have been my own, or give piece to a proposition which comes from an authority much higher than mine—from one hundred and thirty of the most eminent. settlement just to the South and not acedlessly larity. Parties, representing some particular were sent to the Lexington Asylum, more than

INTERCEPTED LETTER. REPUBLIC OF ST. AUGUSTINE, March, 1861. * ----- *, M. P. C., Montgomery, Alabama.

My Dear Sir: In the midst of the wildest ex the Powell amendment and several amendcitement, I resume my account of the proceedmuents beside or the equivalent of the whole of ings here. I have already informed you of the
sembly to violate their oaths and their fidelity to nist. Let no such man be sent by the let to the Border Convention. He is a minimist in a Unionist's clothing. His tizens, and the Chamber of Deputies is composed islation cannot induce clergymen and physicians amendment necessary to the safety or the load of the South, and, who, regarding the inforced. I would give you a statement of our military resources, but this letter may fall into withstunding the e plication of the Registrar and suppressions of the Pages Conference as the conferen

proposition of the Peace Conference as the unfriendly bands and cause mischief, uroposition is regarded by Critteaden and last Monday wes en anxious day. Rumor roposition is regarded by Critteaden and followed rumor respecting the detention of some men, the returns are so meagre that their classi-General—had been seized and held at lox of "Colgate's Pale Soap," belonging to General—had been seized and held at Picchia and seize and to accept that proposition or its equivalent as a just and effectual guarantee of the rights of the Soath, may be put down safely as a true.

A peremptory demand for its the Soath, may be put down safely as a true.

Legislu'ure to do so, for its maintenance involves of our rights, and a distinct threat of repriseds, a heavy expense without any corresponding Unionist. The people may send him to the was immediately made by our undaunted first cathered near the bridge to await his return llour after hour passed, till just at night fall, the agent returned jaded, covered with dust, and 1 nm sorry to say very d unk. He bore a dir and crumpled paper from the wharlinger at Pico.

Leta, which read as follows:

The Senate was occupied nearly all the morn

again in the afternoon session. The tumble that followed this atrocous our rage was beyond description. The bells were roog the drums beat to arms, and a vast mass of determined and fearless citizens gathered on the plazatem and fearless citizens gathered on the plazatem and twanting to himself in this exigent moment. A quantity of yellow pine lumber, shill to belong in part to some saw-mill owner on the St. Johns civer, was lying near the wharf. An armed description arms and a vast mass of determined and fearless citizens gathered on the plazatem of the other section were willing the draw thick provision; it strikes at this provision; it strikes at the cut of government. What further security can be had? If our brethreu of the other tog if our brethreu of the outer of the other tog if our brethreu of the outer of the outer of the outer of the outer of th seize it. It was brought up to the plazi, coch an carrying a plank, amilet shouts of triumph.

The head of the corps of sappers, Col ———, was criminal or repul carry and the full shall state or the amendment which the gentlemum has of fered. Excluding territory hereafter to be accommodately the convention. It is sufficient to spear to the amendment which the gentlemum has of fered. Excluding territory hereafter to be accommodately the convention. the ground, irst, that the basis, in the whole range of its provisions as construed by the secessionists, of its provisions as construed by the secessionists, is not necessary to the safety or the honor of the South and, seemely, that, whilst thus unnecessary to the South, it is extremely obnoxious to the North.

To Picolata and to Gov. Perry and President Davis. There was little sleep in St. Augustino that night. But these energe ic measures provided immediate effect. Before ten o'click duced immediate effect. Before ten o'click the next morning a min with a hand correspond to substitute September for ful occasion that I want to get rid of. Bid not be add a motion to lay the bill and amendments on the next morning a min with a hand correspond to the future and more the take my chance for the future and more the statement of the future and more than the next morning a min with a hand correspond to the section of the future and more the statement of the future and more than the future and more the statement of the future and more than the future and more the statement of the future and more than the future and more than the future and more the statement of the future and more than the future and more th

The Coarier, reproducing this paragraph with stunning marks of emphasis, concludes a characteristic commentary as follows:

what was demanded as the very least that wild make any order incidental to or necessary in the soare; it is extremely obnoxious to the North!"

And this, be it observed, right in the face of the text commented on, in which we expressly delease the ext commented on, in which we expressly delease the ext commented on, in which we expressly delease the extremely observed of short of the extremely of the extremely observed of short of the extremely of the extremely observed of short of the extremely of the extremely observed of short of the extremely of the extremely observed of short of the extremely of the extremely observed of short of the extremely of the extremely observed of short of the extremely observed of the extremely observed of the extremely observed of the extremely observed of the The Coarier, reproducing this paragraph waving his hat The troops were drawn up in

to unite with the States that would accept them, in a Middle Confederacy:

And yet the ultimatam of that date is ubandoned; the Middle Confederacy is given ap; a union with the North is now openly aimed un.

Low. Confederacy.

This is correct, except in the following particulars: The Union unen "made" no "proposition their ultimatum in their 8th of January Conventions;" the "ultimatum of that date" is some conventions; the "ultimatum of that date" is some conventions that date is ubantened to the shouts of joy and lurried to the spot in secret sees sees. In the fading light I could hardly distinguish the design and colors. It seemed at first like a tigger with a long bea d, a tin o" en covering his breast, kneeling on one knee and grabbing for ground nuts. But I soon learned the meaning of the most classic and beautiful banner that ever gave its folds to the air of freedom. It is, it all lusion to our early history, the figure of Po ce de Leon in armor, "earching for the fountain of perpetual youth. On his iron boot beel is insertibed on Federal Relations, which was udopted. Be-Conventions;" the "ultimatum of that date" is not "abandoned"; the "middle Coafederacy" is not "given up"; a "anion with the North"

Leen in armor, searching for the fountain of perpetual youth. On his iron boot heel is inscribed the protocolor on Federal Relations, which was udopted. Believe the "middle Coafederacy" the "middle Coafederacy" the "middle Coafederacy" which our Consul expluined tomenn, "go ahe d."

The Consul has just vetted the bill passed yesfore the voie was taken, Mr. Machea said the | terday by the Chamber of Deputies, imposing an export duy of one cent on each mullet and sheep. With these elight exceptions, we believe the paragraphs above are substantially correct.

The reason assigned is the last clause of the 4th sec, 9th art, of the paragraphs above are substantially correct.

The reason assigned is the last clause of the 4th sec, 9th art, of the credible information, that the Mississippi Leg islature had passed a "stay law" containing certain provisions, which we entimented. Our contemporary of the Vicksburg Whig nvers of the last Mississippi Legislature." Taking of the last Mississippi Legislature. Taking of the last clause of the 4th sec., 10 the reason assigned, is the last clause of the 4th sec., 10 the reason assigned, is the last clause of the 4th sec., 10 the reason assigned is the last clause of the 4th sec., 10 the reason assigned is the last clause of the 4th sec. (It was not the fact, for they had never been before the liouse, and no vote had been taken, except on a motion to dispense with the regular orders, against which he voted. He would will imply vote for the first resolution but should oppose the second unless it wete amended. He desired to be placed right here, and would settle in person with his constituents at home.

Another series of resolutions, taking expensed by a deferment of the first resolution be

ROOM NO. 40, CAPITUL HOTEL, tend-a and request him to address the Levislature, reported that Mr. C. had consented to the request otices at leagth what it characterizes "the | was engaged until after to clock this morn and that Tuesday next, at 11 o'clock, had been most startling enterprise of the present day, ing in transcribing my notes of a speech delivered fixed upon as the time whon the Senato will prohaving in view the dissemination of literary last night in the hall of the House of Representa- , cood to the Hall of the House and hold a joint

is started by Mr. Charles Edward Mudic, of exhausted, I laid down on the hed, forgetting to What change has come o'er the spirit of their Loadon. It is nothing more or less than a extinguish my candle, and hy some means fire dreams? Was Crittenden's proposition for comstupendous circulating library. To us who are accustoned to pay but an insignificant sum, not only for ephemeral effusions, but far the very choicest library preductions, it is difficult with an and with partitions of each very choicest library preductions, it is difficult with an analysis of the speeches of Messrs. Guthrie, with partitions of each with partitions of each very choicest library preductions, it is difficult with a specific control of the North? Was it right and proper on the Sth of January last, and wrong and impreper num?—Lou. Courier.

We cannot do better than let Mr. Critical and the state of the speeches of Messrs. Guthrie, which is difficult to the speeches of the speeches of Messrs. Guthries of the speeches of Messrs. Guthries of the speeches of the speeches of the speeches of the spe however, the purchase of books has been con- this as one of the most disastrons conflagrations. Defending in the Senate the proposition of the families even indulge themselves in the luxury of Mr. Guthile's speech was contained in his nelof a newspaper, unless they hire it for one or

but re-ccho the desire of every lover of the Union I will not stup to cavil about the construction these words; but I see none of the difficulties "White Lies," by Charles Reade; the "Woman may be able to give the substance of Gov. Morein White," and the "Queen of Hearts," by our columns, we are compelled to defer the publication of the report of the Peace Commissioners until to-morrow.

In consequence of the crowded state of the columns, we are compelled to defer the publication of the report of the Peace Commissioners until to-morrow.

In consequence of the crowded state of the columns, we are compelled to defer the wilkie Collias, are each published in the same price.

In consequence of the crowded state of the subject of his particular criticism. It is particular criticism and the "Queen of Hearts," by wilkie Collias, are each published in the same price.

In consequence of the crowded state of the subject of his particular criticism. It is particular criticism. It is particular criticism and the force of argument which ho employed.

The excited debate in both Hoases yesterday, on the bills to repeal the appropriation of \$10,000 to wards rebuilding the Luuatic Asylum at Hop-kinsvillo, has aitmeted much attention and it can that wo ld not show the elegance of diction and the force of argument which ho employed.

The excited debate in both Hoases yesterday, on the bills to repeal the appropriation of \$10,000 to wards rebuilding the Luuatic Asylum at Hop-kinsvillo, has aitmeted much attention and it can the subject of diction and the force of argument which ho employed.

The excited debate in both Hoases yesterday, on the bills to repeal the appropriation of \$10,000 to wards rebuilding the Luuatic Asylum at Hop-kinsvillo, has aitmeted much attention and it is particular criticism.

The excited debate in both Hoases yesterday, on the bills to repeal the subject of diction and the force of argument which has heen the subject of the subject of the subject of diction and the force of dictio and fifty cents. Such a price here, for almost kinsvillo, has attracted much attention, and it can that take away the rights of the people "What Will He Do With It," and ten dollars, probably, all Bnlwer's, Reade's, and Wilkie Colmortality in the institution has been excessive mortality in the institution has been excessive lias' works combined. Books of a mere se- and affords the highest evidence that the site is not to do this, that, or the other. If they have the rious character are, of course, published in a more expensive form and arc more out of the reach of the public than those we have men-

the Neiherlands," one of the admirable works of our American Historiaa, fifteen hundred copies. Works not promising to be perma
is the same. The mortany at the Asyan Mr. Crittenden. I shall vote for the aments proposed by the conventum, and there I ments proposed by the conventum, and there I shall stand. That is the weapon offered now, and placed in my hand, by which, as I suppose, the Union of these States may be preserved; and the Union of these States may be preserved; and the Union of these States may be preserved; and the Union of these States may be preserved; and the Union of these States may be preserved; and the Union of these States may be preserved; and the Union of these States may be preserved; and the Union of these States may be preserved; and the Union of these States may be preserved; and the Union of these States may be preserved; and the Union of these States may be preserved; and the Union of these States may be preserved; and the Union of these States may be preserved; and the Union of the State

the public taste. Exclusion from his library have been made, as the law directed the division und removal of patients according to geological series and though the selected that might be denies that he exercises any personal preresidence. Under the law thirty-nine patients,
oven with this knowable body. They have terences in the selection of his authors, all whose residences were in the First, Second, and recommended this on arduous, laborious consultathose whom he excludes are very ready to charge it to anything except their lack of popu-kinsville. During the past year fifty patients through many diversities of opinion, they have at last arrived at these conclusions, and sent them shade of religious opiaion in England, are es- half of whom were old chronic cases, and the consideration, "this changes my resolution;" has not varied ma'erially for years. All these

Mr President, the only material or substantial

will be highly serviceable us tests of geamac tice and propriety of the mode upon which the State to be most advantegeously distributed, and therefore, to the first section of the proposition of the prop Considered together with the veelopmen's bearing on the same own story concerning the strength of seeceguish without difficulty the true from the spu- to the mole on any practical ground. What pended at Hopkinsville then until a full and impartial contparison has been made between all the proposed sites. If Hopkinsville has the proper territory left, but what is embr The Union men of the 8th of January-the and indispensable natural edvantages of water tory of New Mexico. In New Mexico, by law o and calubrity, there is no part of the State where the Territory -a constitutional law, a valid law I should be better pleased to see the money of the of the territory—slavery exists as fully and en

ty, because he voted against giving the use of the Hall of R presentatives for the Disunion Convention of the presentatives for the Disunion Convention of the question of slavery as in the convention of the presentatives for the Disunion Convention of the question of slavery as in the convention of the presentatives for the Disunion Convention of the question of the question of the presentative for the pr ed npon now to say that his vote was just such a vote as I should have given had I been a Representative. The Disunionists professed to instruct

supports, and have never sympathised with his

call for the convention, and would, if they had

Stone, I. F. & Co., Main st., bet. 1st and Brook.

Druga, Dyestuffs, Olls, Paints, &co. Peat in tanal words ne day be thus employed. He next proceeded to speak of bitumen in its form of museral pitch, perofeum or rock oil, and maphilis, the collect oked upon as formed spontation of usly ir morganic matter without the aid of heat. He sicke of the use of mineral pitch and the lefter without the lefter being the lefter be heat. He sicke of the use of mineral pi'ch and petrolen afrom remedeant quity, the latter being used in lamps by the ancients. Its odor had, however, been and jet into its use, out after call oils were hard net, it was found that similar processes wou'd purify the rock ails and its them for the same purpose, so that the oil wells of ludit were now boundt by British capitalists, and the steep of the processes which the same purpose, so that the oil wells of ludit were now boundt by British capitalists, and the steep of the processes which the same purpose, so that the oil wells of ludit were now boundt by British capitalists, and the steep of the processes which the same purpose, so that the oil wells of ludit were now bounded by the processes which the same purposes are the processes which the processes were processes were processes which the processes were processes were processes which the processes were processes which the processes were processes which the processes were processes were processes which the processes were processes were processes which the proces attention of the public was now drawn to the oil springs of Chanda, Pennsylvania, and Ohio. The lecturer said that the petroleum of this country Express Compunics. that the petroleum of this country
of the ab rightes who used it mediciAmerican Express Co., Main street, between 5th & 6th bd vey described and called attention to the beds of mirecal pich of Euniskillen, and a compaor universit pitch of Ediniskillen, and a company was formed for working it, who soon found that it areas from petroleum springs beneath, and that i areas from petroleum springs beneath, and hy si king wells large amounts of the oil were obtained; in all perhaps, 150,000 gallons have been obtained from Equiskillen. They are in part refined at Hamilton, I y Mr. Williams, who is the pione of this industry in Carada. The related very much the same as the ceal of h, by dis illation and chemical agents.

The lecturer then proceeded in speak of the senice of these oils of Eaniskillen. He differed from those who suppose them to proceed from the shales near, which like those at Collinewood yield abundance of oil when distilled, hut do not contain it ready formed. He supposes the oil to contain the Silurian and Devonian limestone at considerable depths below, which are in many places very full of bitumen, in one place on Pine Creek containing 8 to 1d per cent., and thinks we Creek containing 8 to 1d per cent, and thinks we are warranted in expecting these oils in different places over a great portion of the Western peninsult, which, as Mr. Murray had shown was underfull by these limestones. It required, however, a peculiar arrangement of the strain in all containing the strain of the strain in all containing the straining the strain of the strain in all containing the strain of the strain in all containing the straining the strain of the strain in all containing the straining the straining the straining the strain of the strain of the straining the straining the straining the straining that the straining the will only be met with, in the lecturer's opinion, will only be met with, in the tecturer's epinton, aborg lines of folding and disturburce, which the geologists bave shown to exist in various parts of that region. The lecturer said that limestone of similar age in Gaspe had been long suice shown by Mr Wildiam Logan to afford petroleum springs.

A Son, 8th et., bet. Main and Water. Lamber. Sash. Doors Ass. nd that capitalists had been lately taking up nds there. The lower Silurian limestones con Alexander, Ellis, & Co., cor. Preston, & Walnut & Main and that captures and the sum of the lower Silurian limestones can tained a little oil which in some places runs out when the rock is broken. Montreal limestone contains bitumen and given off its odur when the amount is too small to be of the sum of the amount is too small to be of the sum of the

In springs formerly known in England and supply of and he thought that for the perminent supply of these oils for the future we must look to the displaced by the future we must look to the displaced by the future of the future A LANY DUELLIOT .- A curious fict is related Raymond & Tyler, 4th street, between Main & Market, as having taken place at Borlin. At a first class hatel in that city, a political discussion arose at atel in that city, a political discussion arose at Caweln, J. & Co. (Walker's), Ed., between Market & Main Rueffer, C. C. (St. Charles), 5th, bet. Market and Main which some personal remark were passed hetween two young men hitherto strangers. They left the table, and cards were exchange; the result the table, and cards were exchanged; the result was that the young man, a stranger to Berlin, sent a letter requesting a due provision of pistuls. The letter, however, fell into the hards of the Williams, J. II., \$5 Fourth street, but, 4th and 5th. Williams, J. II., \$5 Fourth street. rister of the young mitt, who conceived the extraordinary notion of imp reonating her brother.
In whom site is devotedly attached—the idea of clarage to him being more insupportable that death to her. As the is very like her brother, she trusted the tru h would not be discovered; and the control of the property of the property of the property of the property of the young mitter that the control of the property of the young mitter that the property of the young mitter that the property of the young mitter that the control of the young mitter that the property of the young mitter that the extraordinary notion of imp resonating her brother.
